

2025-2026 EVALUATION PERIOD ACCREDITATION FEE

The fees for the accreditation evaluation of the programs that will be evaluated in 2025-2026 are listed in the table below.

Evaluation Type	Normal Education
General Evaluation ⁽¹⁾	230.000TL.+ VAT*
Midterm Evaluation ⁽²⁾	170.000TL.+ VAT*/**

(1) This is the evaluation of programs that are being evaluated for the first time or of programs that apply for reaccreditation every five years.

(2) It concerns the evaluation of study programs that have received short-term accreditation as part of a previous general evaluation.

** VAT is calculated at 20%.*

***If the overall evaluation of the program was conducted face-to-face, this evaluation can be conducted online. However, if the evaluation team indicates a need after the preliminary review, a part of the visit can be made face-to-face with the approval of HEAK.*

Information Note:

- Payments are made in two installments, the first in February and the second in July.
- It is the responsibility of the institution to follow the payment schedule. Before making the payment, the institution should contact the HEPDAK Secretary and request the invoice.
- The amount of the February installment paid by programs not attended after the preliminary review will not be refunded.
- Institutions can pay the entire accreditation fee at once. Please get in touch with the account keeper of HEPDAK for this.
- The cost of transportation to and from the bus station/airport to the institution, transportation from the accommodation to the institution, provision of vehicles for unit visits within the institution, and the cost of the study room in the accommodation will be borne by the institution.
