Subject: Team Leaders and SBGK Meeting

DEAR HEPDAK TEAM LEADERS

Feedback from team members is very important for improving the HEPDAK evaluation processes. While this feedback is collected via the HEPDAK evaluation forms, our Board of Directors attaches great importance to the joint meetings with the team leaders with regard to the process.

The 2024 Self- Assessment Report (SAR) 6.0, which was updated in January, was used for new applicant programs for the first time this year. The opinions of the evaluation teams on the SAR 6.0 are important for the update process. In addition, your feedback on the visit processes will also guide our future planning.

To that end, your participation in the meeting, which will take place on January 7, 2025 between 12 and 1 p.m. on ZOOM, will contribute to our improvement efforts. We remind you to attend the meeting by soliciting opinions from team members prior to the meeting.

The agenda of the meeting, the link and the list of participants can be found below. We will send you the necessary information.

Sincerely.
